

Jack D. Fry

Professor
Department of Horticulture and Natural Resources
Kansas State University
Olathe Horticulture Research and Extension Center
35230 W 135th St.
Olathe, KS 66061
913-856-2335 Ext. 103
E-mail: jfry@ksu.edu

PROFESSIONAL POSITIONS

July, 2000 to present, Professor (with tenure); July, 1995 to June 2000, Associate Professor (with tenure); June, 1991 to July, 1995, Assistant Professor, Department of Horticulture and Natural Resources, Kansas State University.

August, 1987 to June, 1991: Assistant Professor, Department of Horticulture, Louisiana State University.

EDUCATION

Ph.D., Department of Horticulture, Colorado State University, Fort Collins, Colorado, 1987.

M.S., Department of Agronomy, University of Maryland, College Park, Maryland, 1984.

B.S., Department of Horticulture, Kansas State University, Manhattan, Kansas, 1982.

ADMINISTRATION AND PROFESSIONAL LEADERSHIP

Director, Rocky Ford Turfgrass Research Center, Kansas State University, 1991- 2018.

This 10 acre facility has one full-time employee and several part-time student workers during the summer months. At least six faculty are involved in research at the location at any one time.

Co-Director, K-State's Golf Course Management and Sports Turf Operations Undergraduate Program (1998-2020)

Program unique in the U.S., as it incorporates a business minor, additional communications courses, and course work in hotel and restaurant management. Developed with input from Golf Course Superintendents Association of America and Sports Turf Managers Association.

Faculty member of the Golf Course Superintendents Association of America, 1998-present. Taught the course *Advanced Stress Management for Cool-Season Turfgrasses* at the international meeting and regionally through 2013. Worked with GCSAA administration to also develop this into a self-study format that can be taken with hard copy or via the web. Developed 4-hour course, *When the Golf Course Maintenance and the Rules of Golf Collide* in 2012 and *Roots First: The Key to Creeping Bentgrass Health is Underground* in 2015. Have also been involved in webcasting short courses on turfgrass stress physiology with GCSAA. Also periodically present online webinars for superintendents.

Columnist, *Golf Course Management* magazine, 2013 - present. Write column every other month on how the course management can affect the way the Rules of Golf are applied, and various other topics related to the golf industry

Editor, *Applied Turfgrass Science* (e-journal), 2010-2012.

Technical Editor, *Applied Turfgrass Science* (e-journal), 2004-2009.

Associate Editorships: *HortScience*, 1995-1998; *Agronomy Journal*, 2002-2005.

Chair, C-5 (Turfgrass) Division, Crop Science Society of America, 2004. Oversaw division activities and organized poster and oral presentations (over 200) in Seattle in 2004. As past-chair in 2005 sought nominations for division offices and oversaw the graduate student oral and poster competition.

Visiting Scientist, United States Golf Association Turfgrass and Environmental Research Committee, 1995.

AWARDS

Crop Science Society of America Fellow Award, 2012.

Fred V. Grau Turfgrass Science Award, Crop Science Society of America, 2011 (recognition of outstanding accomplishment in turfgrass science over the past 15 years).

Professorial Performance Award, KSU, 2007, 2013, and 2019 (increase in base salary to faculty who have maintained high productivity).

Outstanding Research Award, Gamma Sigma Delta Eta Chapter, 2003.

Outstanding Faculty Mentor Award, KSU College of Agriculture, 2001.

Distinguished Service and Leadership Award, Kansas Turfgrass Foundation, 1996.

TEACHING EXPERIENCE SUMMARY

I taught courses in turfgrass science and golf course management from 1987 -2020. Student “evaluation of instructor” scores have ranged from 4.4 to 4.9 (out of 5), and averaged 4.5. In addition to traditional teaching methods, I’ve taught courses online and to industry professionals.

I led the development of a Golf Course Management curriculum in 1998, with colleagues across three colleges at the university (business, hospitality, and agriculture) and the program has been recognized nationally. This curriculum combines our traditionally strong turfgrass management area with extensive coursework in communications, business and personnel management, and hospitality management. It was developed with faculty from three colleges, and with input from the Golf Course Superintendent’s Association of America and the PGA-TOUR. A few years ago, we added sports turf management to the curriculum as well, with input from the Sports Turf Managers Association.

Formal courses taught

Turfgrass Management (HORT 515) at KSU one semester each year 1991 - present. Beginning in 2008 the course was split into HORT 515 (2 cr.) Basic Turfgrass Culture and HORT 516 (1 cr.) Intensive Culture of Golf and Sports Turf. Average enrollment 35 to 55 students. Also responsible for this course while at Louisiana State University in spring, 1988, 1989, and 1990. Also taught as a night course at LSU during Fall, 1988.

Golf Course Operations (HORT 517) once annually, 1995 - present. I developed this course that focuses on important issues to golf course superintendents, including personnel management, budgeting, communication skills, and the environment.

Turfgrass Diseases and Their Control (HORT 587) once annually 2018 – present.

Turfgrass Science (HORT 706) at KSU each spring, 1992 – 1995 and started again in 2019. Average enrollment 10 students. Covered turfgrass stress physiology, including drought, heat, cold, and traffic.

Horticulture Internship (HORT 590) at KSU each summer. I assist students on internships each summer, with numbers ranging from 4 to over 50. Each student is required prepare a written report, and give an oral presentation upon return to campus in the fall.

Instructor, Graduate Seminar (HORT 7913), Louisiana State University. Fall, 1988 and 1990.

ADVISING EXPERIENCE

Advise 15 to 80 undergraduates each semester at KSU, 1991 - 2018.

Faculty Advisor to KSU Chapter of the Golf Course Superintendent's Association of America. Assisted a core group of students to form this organization in Spring, 1997. Continued as advisor until 2001 and as co-advisor thereafter.

Faculty Advisor, KSU Horticulture Club, 1995-1996.

Accompanied 15 students to Stillwater, Oklahoma for "Tornado Alley Invitational" golf tournament and turf management quiz bowl vs. Oklahoma State and Texas A & M, Fall, 1996.

Undergraduate Coordinator, Department of Horticulture, LSU, 1990-1991. Advised all (20) horticulture undergraduates.

Faculty advisor, LSU Horticulture Club, 1989-1990.

GRADUATE STUDENT TRAINING

Kansas State University

Master of Science

Dani McFadden. 2020. Kentucky bluegrass and tall fescue growth when seeded after herbicide application. Current position: Ph.D. Student, KSU.

Ross Braun, 2014. Cultural Strategies to improve zoysiagrass acceptability and performance in the transition zone. Current position: Postdoctoral student, Purdue University

Josh Chabon, 2014. Irrigation management effects on nitrate leaching and mowing requirements of tall fescue. Current position: Grass Pad Inc. Manager, Olathe, KS

Cole Thompson. 2010. New strategies for managing dollar spot and silvery-thread moss in creeping bentgrass putting greens. Current position: Assistant Director of Research, United States Golf Association.

Qi Zhang. 2004. Evaluation of plant disease activators and calcium silicate to reduce fungicide input in creeping bentgrass and tall fescue. Current position: Associate Professor, North Dakota State University

Kiranmai Nandivada. 2000. Drought tolerance in perennial ryegrass. Current position: unknown.

Joon H. Lee. 2001. Evaluation of strategies to reduce fungicide inputs in creeping bentgrass. Current position: Chief Executive Officer, Hampyung Dynasty Country Club, Kyung-Gi, South Korea,

Derek M. Settle. 1997. Disease development in tall fescue and perennial ryegrass as affected by cultural practices. (Co-advised with Dr. Ned Tisserat) Current position: Director of Turfgrass, Chicago District Golf Association

David E. Green II. 1993. Pathogenicity of fungi associated with a large patch disease of zoysiagrass and the influence of cultural practices on disease development. (Co-advised with Dr. Ned Tisserat). Current position: Unknown.

Doctor of Philosophy

Mingying Xiang, 2018. Evaluating zoysiagrass mixtures and genotypes for improved quality and disease reduction in the transition zone. Current position: Assistant Professor, West Texas A&M University.

Cole Thompson, 2014. Physiological and pathological factors influencing decline of rough bluegrass (co-advisor with Dr. Megan Kennelly). Current position: Director of Research, United States Golf Association.

Kenton Peterson, 2013. Environmental effects on turfgrass growth and water use (co-advisor with Dr. Dale Bremer). Current position: Owns own business in Nebraska.

Tony Goldsby, 2013. Establishment, drought tolerance and recovery, and canopy analysis of turfgrasses in the transition zone (co-advisor with Dr. Dale Bremer). Current position: National Research Director, The Andersons, Kansas City, MO.

David Okeyo. 2010. Growth characteristics and freezing tolerance of zoysiagrass cultivars and experimental progeny. Current position: Instructor, Maseno University, Kenya

Qi Zhang. 2007. Freezing tolerance in zoysiagrass. Current position: Associate Professor, North Dakota State University

Alan J. Zuk. 2005. Factors affecting establishment of seeded zoysiagrass in perennial ryegrass turf. Current position: Associate Professor, North Dakota State University

Jinmin Fu. 2003. Growth and physiological responses of turfgrasses to deficit irrigation. Current position: Professor of Turfgrass Science at Ludong University, Yantai, China.

Hongfei Jiang. 1997. Water management on golf course turf. Current position: Senior software engineer at National Pork Producers Council, St. Louis, MO.

Yaling Qian. 1996. Drought resistance and water management of turfgrasses in Kansas. Current position: Professor, Colorado State University

Louisiana State University

Master of Science

Frederick P. Maier, 1993. Intraspecific differences in St. Augustinegrass Freezing Tolerance. Current position: General Manager, Squire Creek Golf Club, Choudrant, LA

RESEARCH EXPERIENCE SUMMARY

Since 1991, I have conducted research at Kansas State University focusing on zoysiagrass cultivar development; turfgrass water management; characteristics of drought-resistant turfgrasses; freezing resistance of warm-season turfgrasses; and integrated disease and weed control. This work has resulted in over 100 peer-reviewed publications. From 1991 to 2017, I served as the Director of the Rocky Ford Turfgrass Research Center, and now oversee turf research at the Olathe Horticulture Research and Extension Center. I also serve editor of the KSU Turfgrass Research Report, and have been involved each year in the organization of the annual conference (600 attendance) and field day (250 attendance).

EXTRAMURAL FUNDING

Over 3 million dollars in grants since 1995.

Funding agencies: City of Wichita, Kansas Public Works Department; Golf Course Superintendent's Association of America; Heart of America Golf Course Superintendent's Association; Kansas Golf Course Superintendent's Association; Kansas Golf Association; Kansas Turfgrass Foundation; Kansas Water Resources Research Institute; Turf Producers International; United States Department of Agriculture; United States Golf Association; and Western Association of Nurserymen.

Examples of grants funded over the past ten years:

Genovesi, D., A. Chandra, J. Fry, M. Kennelly, and A. Patton. 2018-2023. Development of cold hardy zoysiagrass cultivars for golf courses in the transition zone. KSU share - \$ 133,074.

Bremer, D., J. Friell, J. Fry, and A. Patrignani. 2017-2020. Development of irrigation scheduling techniques that conserve water using soil moisture sensors, reference evapotranspiration, and turfgrass quality data. United States Golf Association. \$ 129,733.

Fry, J., M. Kennelly, and A. Patton. 2013- 2017. Evaluation of large patch resistance and cold hardiness in experimental zoysiagrasses developed for the transition zone. United States Golf Association. \$ 130,000.

Bremer, D, J. Fry, and S. Keeley. 2006-2008. Comparative irrigation requirements of thirty cultivars of Kentucky bluegrass under a large rainout shelter in the transition zone. United States Golf Association. \$ 47,058.

Bremer, D., J. Ham, L. Moley, S. Keeley, J. Fry, C. Lavis, and R. St. John. 2008-2011. Modifying homeowner's lawn-irrigation behavior to conserve water and improve water quality in urbanizing watersheds. USDA Integrated research, education, and extension competitive grant. \$ 600,000.

Kennelly, M., J. Fry, R. St. John, and D. Bremer. 2008-2010. Cultural practices, environment, and pathogen biology: studies for improved management of large patch (*Rhizoctonia solani* AG2-2). United States Golf Association. \$ 46,806.

Fry, J. 2009. Turfgrass research support. Kansas Turfgrass Foundation. \$ 7,000

Fry, J. 2009. Rocky Ford Turfgrass Research Center support. Kansas Turfgrass Foundation. \$ 12,000

Fry, J., D. Bremer, and C. Rajashekar. 2009. Freezing tolerance of new zoysiagrass progeny and identification of physiological contributors to hardiness. Heart of America Golf Course Superintendents Association. \$ 8,000.

Fry, J., Q. Zhang, R. St. John, C. Rajashekar, D. Bremer, M. Kennelly, M. Engelke, and D. Genovesi. 2007. Screening new zoysiagrass progeny for freezing, drought, and disease resistance. Kansas Agricultural Experiment Station. \$ 14,672.

Fry, J. 2005. Fungicide evaluation for control of localized dry spot and dollar spot on creeping bentgrass. Bayer Corp. \$ 7,200.

Fry, J. 2005. Fungicide evaluation for disease control on creeping bentgrass fairways. Syngenta Corp. \$ 4,000.

Member: American Society for Horticultural Science
American Society of Agronomy
Crop Science Society of America
Golf Course Superintendent's Association of America
Heart of America Golf Course Superintendent's Assoc.
International Turfgrass Society
Kansas Golf Course Superintendent's Assoc.
Kansas Turfgrass Foundation
Louisiana Turfgrass Association
United States Golf Association

Faculty/Student Exchange Development with Monterrey Tech, Monterrey, Mexico, 2002.

Scientific Advisory Group for Environmental/Turfgrass Area for World Scientific Congress of Golf, 2002, St. Andrews, Scotland.

Consultant, Green Team at Western Resources Energy Corp., St. Marys, Kansas.

Committees

Golf Course Superintendent's Association of America

Environmental Leaders in Golf Awards Selection Committee, 2018-2020
Agronomic task force, 2009
Faculty Resource Group Committee, 1999
Education Committee, 2002.

United States Golf Association, 1994-1995

Turfgrass and Environmental Research Committee, Visiting Scientist

Crop Science Society of America

Fellows selection committee, 2014-2016

Fred V. Grau Turfgrass Science Award selection committee, 2015-2017

Chair, C-5 (Turfgrass) Division, 2004.

Editorial review committee for Turfgrass (C-5), 1994-1997.

Secretary (1989), Chair (1990-1993), Current Issues Committee - identified issues of greatest concern to division C-5 (Turf).

Session Chair, Turfgrass Physiology session, 1992 and Turfgrass Nutrition session, 1989 and 1996.

Judge, graduate student paper competition, American Society of Agronomy Meetings, Las Vegas, Nevada, 1989.

North Central Region - 192 (Regional Turfgrass Information Exchange Group)

Chair, 2001

Co-Chair, 2018

Secretary, 2000

Kansas State University

Promotion and Tenure Committee, Horticulture, 2003-.

Departmental Committee on Planning, Horticulture, 2003-present.

K-State Research and Extension Five-year Planning Committee, 2002-2003.

Annual Agriculture Research and Extension Conference Committee, 2002.

Graduate Committee, 1994-present.

Undergraduate Curriculum Committee, 1997-2002.

Advisory Committee on Campus Development, 1993.

Chair, Horticulture Seminar Committee, 1993-1995.

Internship and Basic Horticulture Course committees, 1993 (Horticulture curriculum revision).

Ornamental Position Search Committee, 1993.

Turfgrass Position Search Committee -1991, 1992, 1996, 2001, and 2009.

Faculty Productivity Guidelines Committee - 1992.

Louisiana State University, 1987-1990

Horticulture Departmental Policy Committee, 1989-1991 - This four-member committee acted as a governing board for the Department of Horticulture.

Graduate Student Policy Committee, Department of Horticulture - Screened graduate applicants, monitored student progress, and upheld guidelines as stated in the Graduate Student Policy Manual.

Environmental Management Systems Curriculum Committee, College of Agriculture - Assisted in development of new "Turf and Landscape Management" curriculum.

College of Agriculture Scholarship Committee - Screened scholarship applicants and awarded monies.

College of Agriculture Faculty Policy Committee - Elected by Horticulture faculty to serve on committee that acts as a communication link between administration and faculty in the College of Agriculture.

Additional activities:

Invited International Conference Presentations:

New Zealand Fine Turf Seminar, 2015
Australian Golf Course Superintendents Association, 2015
Hong Kong Golf Course Superintendents Association, 2015
Singapore Grounds Managers, 2015
Quebec Golf Course Superintendents, 2015
Canadian International Turfgrass Conference – Vancouver (2014)
Nova Scotia Golf Course Superintendents Meeting – Halifax (2013)
Ontario Golf Course Superintendents Association – Windsor (2011); Toronto (2013); Vancouver (2014)
Canadian Golf Course Superintendents Association – Calgary and Vancouver (2008); Banff (2019)
Toyo Green Turfgrass Conference, Tokyo, Japan, 2006 (invited)
Guelph Turfgrass Conference, Guelph, Ontario, Canada, 1994

International Turfgrass Society Meetings

New Brunswick, NJ - 2017
Beijing, China - 2013
Llandudno, Wales - 2005
Toronto, Canada - 2001
Sydney, Australia - 1997
West Palm Beach, Florida - 1993

World Scientific Congress of Golf, St. Andrews, Scotland, 2002

International Golf Course Superintendent's Meeting, 1992, 1993, 1995, 1997, 1998-2005, 2007-2020

Turf Producers International, East Lansing, MI, 1999; Phoenix, AZ 2018

Domestic Conference Speaking Invitations:

New England Turfgrass Conference, 2014 and 2016
Carolinas Golf Course Superintendents, 2012 and 2015
Professional Lawn Care Assoc. of Mid-America, 1994, 1995, and 1996
Nebraska Turfgrass Conf., 1993, 1996, 1999, 2008
Kansas Turfgrass Conf., 1991-present
Rocky Mountain Regional Turfgrass Conf., 1985-1987, 1992
Iowa Turfgrass Conf., 1992, 2007, 2011
Maryland Turfgrass Conf., 1983, 1992, 2007
TVA Fertilizer Workshop, 1991
Mississippi Turfgrass Conf., 1991

Louisiana Turfgrass Conference, 1987-1991
Missouri Turfgrass Conference, 1998, 2002
North Carolina Turfgrass Conference, 2004
Virginia Turfgrass Conference, 1997
South Dakota Turfgrass Conference, 1998

Hosted National Institute on Parks and Grounds Management Conference, Baton Rouge, LA - March, 1991.

Hosted the Southern Turfgrass Research Information Exchange Meetings - Louisiana State University, June, 1990.
