The Ecklund Garden -

Wild for Plants (& Wildcats, Too)

Does variety and creativity pique your interest? Then be sure to come and see all the wonderful specimens and plant combinations this plant lover has collected! A welcoming patio graced with colorful planted pots invite the visitor to stay and enjoy all the sights, sounds and fragrances of this wonderful garden.

The Livingston Garden -

Step Into the Shade

Come and 'step into the shade'! It feels so much cooler in this shady back yard retreat! You will be amazed at the hand-made stepping-stones created by the garden owners using concrete molds and real leaves. A winding path will lead you down into a valley that is covered with all varieties of plants that thrive in the shade, especially hostas!

The O'Neill Garden -

Art in the Garden

Do you delight in finding something special that not everyone may notice? Would you like to see how art and plants can be combined with creativity? This is the garden for you! A garden created with so much personality you will want to linger for a long time and enjoy everything it has to offer. Birdbaths and unique garden ornaments amongst fabulous plantings will capture your imagination.

The Patton Garden -

A Meaningful Collection

Looking for ways to create a budget-friendly landscape? Come and view this garden that looks like a million bucks; the result of talent, hard work, ingenuity and know-how. Outdoor rooms, inviting seating and plants that were selected for their 'bird and butterfly friendliness' are all attractions at this delightful garden retreat.

The Rosché Garden -

A Touch of Glass

Come and see these gardeners' playful and charming haven that features unique, one-of-a-kind glass art pieces blended lovingly with beautiful plants. These talented gardeners' use of space, color, texture and balance highlights their talents both as designers and as gardeners. You'll most assuredly enjoy this delightful garden sanctuary.

The Weishaar Garden -

Petite Pizzaz

Relax in a comfortable chair surrounded by creatively designed containers of annuals and perennials brimming with color and personality. Come and see this elegant landscape that includes a special corner pergola with climbing heirloom roses and clematis, and fabulous garden décor making this garden anything but average!

Garden Gallery

Demonstration Garden

This teaching garden displays a diverse palette of plants for the home landscape that demonstrates the tried-and-true as well as the new, environmentally responsible practices, and varieties suitable for local growing conditions. Designed, planted and maintained by Extension Master Gardeners, the Garden Gallery was established in May 2007.

Bonus: Free and open to the public!

Located at the Garden Gallery Demonstration Garden:

Garden Thyme Marketplace

Purchase hand-cast concrete leaves and steppingstones, decorative mosaic mushrooms, beaded plant stakes, floral plant containers, tool bucket caddies, hand-painted garden art poles, insect houses, and more garden-themed decor.

Extension Expo

Meet your local Johnson County Extension agents and learn about resources for your home, garden, family, and community.
