

Chad T. Miller

Certified Professional Horticulturist

Curriculum Vitae

2607 Throckmorton Plant Sciences
Dept. of Horticulture and Natural Resources
Kansas State University, Manhattan, KS 66506

Phone: (785) 532-1416
Fax: (785) 532-6949
Email: ctmiller@ksu.edu

EDUCATION

- Ph.D. 2010** **Cornell University; Ithaca**
Major: Horticulture *Minor:* Education
Dissertation: Physiological and nutritional studies of *Oxalis regnellii*
- M.S. 2005** **Cornell University; Ithaca**
Major: Horticulture
Thesis: Physiological studies of *Achimenes*
- B.S. 2002** **University of Wisconsin—River Falls; River Falls**
Major: Horticulture *Option:* Horticulture Science

PROFESSIONAL EXPERIENCE

- Associate Professor.** Kansas State University; Manhattan, KS *July 2017—current*
- Assistant Professor.** Kansas State University; Manhattan, KS *February 2011 – June 2017*
- Teaching:** 80%: Research: 20%
- Advising:** ~30 undergraduate students;
Horticulture Club (co-advisor), 2011—current
Pi Alpha Xi, 2012—current
- Visiting International Research Assistant.** Wageningen University and Praktijkonderzoek Plant en Omgeving (PPO)—Lisse; The Netherlands 2004-2005.
- Graduate Research and Teaching Assistant.** Cornell University; Ithaca, NY. 2002-2010.

TEACHING EXPERIENCE

Current Courses

- HORT 190 *Preparing for Your Horticulture Career*** (1 credit) Fall (2011- current)
(team taught 2011-16 to primary instructor 2016, 2017)
- HORT 350 *Plant Propagation*** (3 credits; 2 lab sections) Spring (2015- current)
- HORT 374 *Landscape Plants I*** (3 credits; 2 to 4 lab sections) Fall (2011- current)
(developed the course)
- HORT 375 *Landscape Plants II*** (3 credits; 2 to 3 lab sections) Spring (2012- current)
(developed the course)
- HORT 390 *Horticulture Topics*** Fall and Spring (2011-current)
(Independent Study; on average advise 1 to 2 students per year)
- HORT 390 *Planthropology—Plants and You*** (3 credits) Spring (2019—current)
(developed the course)
- HORT 590 *Horticulture Internship*** Fall and Spring (2011-current)
(on average 5 students on internship each year)

Previous Courses

- HORT 640 *Commercial Floral Design*** (3 credits; co-taught) Spring 2011
- HORT 595 *Italian Horticulture and History Study Abroad*** Spring 2017
(co-lead; 13 days; 11 students)
- GENAG 505 *Western European Horticulture Study Abroad*** Spring 2014
(developed and lead faculty; 14 days; 15 students.)

HONORS AND AWARDS

International

Invited Floriculture Judge for Proflora 2015

National

USDA Food and Agriculture Sciences Excellence **New Teacher Award**, 2017

Perennial Plant Association (PPA) **Academic Award**, 2017

North American Colleges and Teachers of Agriculture (NACTA) **Educator Award**, 2017

Association of Public Land Grant Universities (APLU) **Inaugural Innovative Teaching Award**, 2014

Greenhouse Product News (GPN) Magazine **Top 40 Under 40** inaugural class, 2012

Perennial Plant Association Symposium **Undergraduate Academic Scholar Award**, 2002

American Society for Horticultural Science **Undergraduate Collegiate Scholar**, 2002

American Society for Horticultural Science **Outstanding Undergraduate Horticulture Student**, 2002

Pi Alpha Xi Intercollegiate Flower Judging Contest

High Individual (1st place) Potted Plant Judging, 1999

Overall Third Place Floral Judging Team Member, 1999

University/College/Department

Kansas State University **College of Agriculture Innovative Teaching & Learning Award**, Spring 2015

Kansas State University **Gamma Sigma Delta Teaching Award**, Spring 2015

Kansas State University **College of Agriculture Advisor of the Year**, 2014-2015

Kansas State University **College of Agriculture Teaching Faculty of Semester**, Fall 2014

Kansas State University **Big 12 Faculty Fellow**; Kansas State University, 2014

Cornell University **Department of Horticulture Achievement Award**, 2007

Cornell University **William Frederick Dreer Fellowship Award**, 2004

Cornell University **German Studies Department Martijn Zwarte Grant**, 2004

Univ. Wisconsin—River Falls **Outstanding Undergraduate Student in Horticulture**, 2002

Invited Speaker

Kansas State University College of Agriculture **Commencement Speaker**; December 2017

North American Colleges and Teachers of Agriculture (NACTA) **Workshop Panelist on Promotion and Tenure**; June 2018

North American Lily Society Annual Lily Show and Symposium **Program Speaker**; June 2018

Scholarships Received

Federated Garden Clubs of New York State Scholarship, 2006

African Violet Society of America Scholarship, 2003

James K. Rathmell Jr. Scholarship; FIRST Scholarship Program, 2003

John Carew Memorial Scholarship; FIRST Scholarship Program, 2002

Seed Companies Scholarship; FIRST Scholarship Program, 2002, 2000

Wisconsin Nursery and Landscape Association, 2001

Joseph Shinoda Scholarship, 2001, 2000, 1999

Wisconsin Regional Lily Society, 2000, 1999

Ed Markham Scholarship; FIRST Scholarship Program, 1999

Anderson Foundation Scholarship, 1998

Minnesota Nursery Landscape Association Scholarship, 1998

Wisconsin Garden Club Scholarship, 1998

PROFESSIONAL ACADEMIC AFFILIATIONS AND HONOR SOCIETIES SERVICE

American Society for Horticultural Science (ASHS), 2002- *current*
Education Publication Award **Committee Member**, 2013 – 2017
Outstanding Undergraduate Educator Award **Committee Member**, 2016 – *current*
Outstanding Graduate Educator Award **Committee Member**, 2018 – *current*
Certified Public Horticulture Board
Board Chair, 2016 — 2018
Board Member, 2014 – 2018
International Society for Horticultural Science (ISHS), 2004- *current*
North American Colleges and Teachers of Agriculture (NACTA), 2011-*current*
Award Recognition **Committee Member**, 2014-*current*
Editorial Board **Board Member**, 2016—*current*
Journal Awards Committee, Chair, 2018-*current*
American Horticulture Society (AHS), 2011- *current*
Gamma Sigma Delta, Eta Chapter, initiated 2012; 2012-*current*
President- 2016-2017
Student Teaching and Research Recognition **Chair**, 2015-*current*
Fall Banquet Chair, 2017 and 2018
Pi Alpha Xi, Alpha Zeta Chapter, initiated 1999
Undergraduate Activities (national) **Committee Member**, 2016-*current*
Alpha Zeta, Gamma Chapter, initiated 1999
Cornell University Society of Horticulture Graduate Students (SOHO), 2002-2010
President 2007-2008; **Secretary** 2006-2007; **Social Chair** 2003-2004
Graduate and Professional Student Association **Representative** (GPSA), 2006-2007
Cornell University Graduate and Professional Student Association (GPSA) 2008-2009
Finance **Committee Member** 2006-07

SELECTED CAMPUS SERVICE

University

Committee Member; Landscape Advisory, *Spring 2012 – Fall 2014*

College

Committee Member; Awards Committee, 2012 - *current*

Committee Member; Undergraduate Research Committee, *Spring 2017 – current*

Committee Member; Commerce Bank Teaching Award Landscape Architecture Dept., Spring 2014

Department

Co-advisor Undergraduate Horticulture Club, *Fall 2011 - current*

Advisor for Pi Alpha Xi (Omega Chapter) Horticulture Honor Society, *Fall 2012 - current*

Co-coordinator FFA CDE State competition, *Spring 2011 - current*

Committee Member; Department Awards Program; *Spring 2011 - 2018*

Committee Chair; Faculty Position Search, *Fall 2017*

Committee Member; Teaching Task Force, *Fall 2014 – 2016*

Committee Member; Faculty Position Search, *Spring 2015*

Committee Member; Conservatory Planning Committee, *Spring 2014*

Committee Member; Curriculum Committee, *Fall 2014-current*

Committee Member; Recruitment and Retention Committee, *Spring 2011 – Fall 2014*

Committee Member; Student Technology Fee Task Force, *Fall 2011 – Fall 2014*

Committee Chair; Department Recruitment, *Fall 2018-current*

Committee Member; Department Promotion and Tenure; *Fall 2018-current*

INDUSTRY ASSOCIATION AND PLANT SOCIETY AFFILIATIONS

Industry Associations

AmericanHort)—An Association of Horticulture Professionals 2004 -*current*
(formerly known as OFA and American Nurseryman's Association)
Generation Next Committee Member (2013-2016)
Perennial Plant Association, 2010-*current*
Scholarship Review Committee Member, *current*
American Nursery and Landscape Association (ANLA), 2011-2013
American Society for Cut Flower Growers, 2012—2016
Minnesota Nursery and Landscape Association, 1999-2000
National Association of Landscape Professionals (NALP), 2011-*current*

Plant Societies

American Conifer Society, 2013-2014
American Daffodil Society, 2015- *current*
American Gloxinia and Gesneriad Society, 2003
American Hemerocallis Society, 2015-2016
American Iris Society, 1999
American Penstemon Society, 2013-2014
International Oak Society, 2015 - *current*
Minnesota Dahlia Society, 2000
Minnesota Daylily Society, 1999
North American Rock Garden Society, 2016 - *current*
North American Lily Society, 2016 - *current*
Pacific Bulb Society, 2013 - *current*
Wisconsin Regional Lily Society, 1999-2003

GRANTS, CONTRACTS, AND PROGRAM FUND GENERATION

Disciplinary Research Extramural Funding

USDA Two-Year Post-secondary Education and Agriculture in the K-12 Classroom (SPECAs) Challenge Grant. K.A. Williams, **C.T. Miller** and G.A. Hock. 2017. Developing Online Modules for High School Teachers that Hybridize Horticulture and Science Curricula while Promoting Horticulture as a Career. **\$50,000**.

Fred C. Gloeckner Foundation, Inc. **C.T. Miller**. 2017, 2018. Understanding the effects of root zone temperature in potted dahlia production. **\$20,000; 2 years**.

Fred C. Gloeckner Foundation, Inc. K.A. Williams and **C.T. Miller**. 2016. Understanding and abating intumescence development in *Angelonia* and *Solanum* spp. **\$8,000**

Fred C. Gloeckner Foundation, Inc. K.A. Williams and **C.T. Miller**. 2015. Understanding and Abating Intumescence Development in *Cuphea* spp. **\$7,000**

Fred C. Gloeckner Foundation, Inc. **C.T. Miller**, K.A. Williams and J. Craver. 2013. Understanding and preventing intumescence development on *Ipomoea batatas* and other ornamental crops. **\$10,000**.

American Floral Endowment. K.A. Williams and **C.T. Miller**. 2011 and 2012. Leveraging FFA Career Development Events in floriculture as a student recruitment tool. **\$2,800; 2 years**.

Fred C. Gloeckner Foundation, Inc. **C.T. Miller** and W.B. Miller. 2007 and 2008. Investigations of interveinal chlorosis in *Oxalis regnellii*. **\$20,500 (2 years)**

Kenneth Post Foundation and Herman Schenkel Memorial Fund Grant. **C.T. Miller** and W.B. Miller. 2006, 2007, 2008, 2009. Physiological studies of leaf chlorosis in *Oxalis regnellii*. **\$9,500 (4 years)**

Disciplinary Research Intramural Funding

Kansas State Univ. Faculty Development Grant. **C.T. Miller**. Present 'Effects of pre-plant bulb soaks and basal root trimming on growth and development of three amaryllis (*Hippeastrum*) cultivars at the International Society for Horticulture Science Flower Bulb and Herbaceous Perennial Symposium in Kunming, China; June 28, 2016. **\$2,000**

Kansas State Univ. Office of International Programs Incentive Grant. **C.T. Miller**. Building collaborative horticulture study abroad opportunities: Ecology and horticulture of South Africa. November, 2015. **\$2,250**

Kansas State Univ. Faculty Development Grant. **C.T. Miller**. Present 'Effects of flurprimidol, paclobutrazol and uniconazole dips and drenches on amaryllis growth and development' and 'Paclobutrazol and flurprimidol tuber drenches and dips affect growth and development of calla lily' at the International Society for Horticulture Science Flower Bulb and Herbaceous Perennial Symposium in Turkey, March, 2012. **\$2,000**

Scholarship of Teaching & Learning Extramural Funding

Association of Public and Land-Grant Universities Innovative Teaching Award. Currey, C., **C.T. Miller**, and A.M. VanDerZanden. 2014. Propagation and production of underutilized and challenging native Midwest prairie plants. **\$2,000**

Scholarship of Teaching & Learning Intramural Funding

College of Agriculture; Kansas State Univ. **C.T. Miller**, B. Hoch, and C. Boyer. 2016. Increasing exposure and understanding of horticulture extension resources to horticulture undergraduate students. **\$3,100**

College of Agriculture; Kansas State Univ. K.A. Williams and C.T. Miller. 2015. Developing and Evaluating a Module to Present Horticulture as a Field of Aspirational Careers to High School Students who Visit K-State's HFRR Department. \$3,000

College of Agriculture; Kansas State Univ. C.T. Miller, R. Mattson, L. Westervelt. 2013. Developing and designing a carnivorous plant teaching collection. \$2,000

Funding Proposals Not Accepted

15 Proposals not funded: combined budget requests of \$490,725

Funding Agencies Applied to: Higher Education Challenge (HEC) Grant Horticultural Research Institute (HRI); Secondary Education, Two-Year Post-Secondary Education, and Agriculture in the K-12 Classroom (SPECA) Challenge Grant; Education and Literacy Initiative (ELI) Agriculture, Natural Resources and Human Sciences USDA-AFRI; Kansas Department of Agriculture Specialty Crop Block Grant; Fred C. Gloeckner Foundation; American Floral Endowment; John Z. Duhling Grant Program; American Penstemon Society; Pacific Bulb Society

Scholarship and Awards Funding Awarded To Students

(through letters of recommendation; both undergraduate and graduate students)

2018: \$14,000; 2017: \$33,500; 2016: \$17,000; 2015: \$11,000; 2014: \$25,500; 2013: \$4,500; 2012: \$7,500

Total: \$113,000

Gifts in Kind

(donations for teaching and research endeavors; estimated value)

2018: \$2,650; 2017: \$3,750; 2016: \$7,650; 2015: \$4,500; 2014: \$1,050; 2013: \$5,100; 2012: \$400; 2011: \$1,000

Total: \$26,100

GRADUATE STUDENT ADVISING

Major advisor

Braden Hoch, (co-advisor) M.S. 2018. *Quercus* and *Betula* species and pH tolerance.

Joshua Craver, (co-advisor) M.S. 2014. The effects of UVB radiation on intumescence development and the characterization of lesions from physiological disorders on ornamental sweetpotato (*Ipomoea batatas*), tomato (*Solanum lycopersicum*), and interspecific geranium (*Pelargonium* spp.).

Currently: Currently Ph.D. at Purdue University.

Graduate Committee Memberships

Nicole Martini, Ph.D. (*in progress; anticipated* May 2021). Development of Online Modules for High School Teachers that Hybridize Horticulture and Science Curricula while Promoting Horticulture as a Career.

Jianquiao Luan, M.S. Horticulture 2018; Modernizing Residential Landscape Design Extension Materials.

Matthew Wilson. Ph.D. Horticulture 2016; Pine Wilt Disease Management in Kansas and Use of Virtual Plant Walk Maps as a Tool for Teaching Plant Identification Courses.

Jason Nelson; M.S. Horticulture 2013; Organic and inorganic fertilization with and without microbial inoculants in peat-based substrate and hydroponic crop production

INTERNATIONAL INTERN ADVISING

Zamorano University (Honduras)

Sergio Marcelo Laredo Gutierrez (co-advised; Spring 2017)

Andrea Marcela Osario (co-advised; Spring 2016)

Myrna Gabriela Cruz (co-advised; Spring 2013)

Louceline Fleuridor (Spring 2012)

INTERNATIONAL STUDY ABROAD EXPERIENCES

Italian Horticulture and History—From Rome to Venice; 2 weeks. May 2017.
(**faculty co-leader**; 11 students).

Ecology and horticulture of South Africa; 2 weeks. November 2015.
(**faculty participant** with Iowa State Program; 15 students)

Western European Horticulture; Netherlands, Belgium, Luxembourg, and France. 2 weeks. May 2014.
(**Organized and Lead faculty**; 15 students)

Horticulture Down Under; Australia. 2 weeks. January 2013.
(**faculty participant**; 7 students)

The Gardens of England and Wales. 2 weeks. May 2011.
(**faculty participant**; 7 students)

International Intern at Royal Van Zanten, Rijssenhou, The Netherlands. 3 months, March-June 2001.

INTERNATIONAL TRAVEL EXPERIENCE

Australia	Czech Republic	Italy	Poland
Belgium	England	Japan	South Africa
Canada	France	Moldova	Spain
Chile	Germany	Netherlands*	Turkey
China	Greece	Norway	Vietnam
Colombia	Ireland	Peru	Wales

*resided in country for over a year

LANGUAGES

Dutch: Beginner proficiency in writing, reading, and conversation

Spanish: Basic proficiency in writing, reading, and conversation

OUTREACH EXPERIENCE

Kid's Agriculture Field Day; Kansas State University. 2011 and 2012

Assisted in developing horticulture plant related activity stations with department graduate students to engage 4th grade students from the Manhattan area schools.

University Open House; Kansas State University. 2011-current

Assisted the student club organizations in implementing horticulture stations and activities to engage with the greater community from across Kansas.

Apple Orchard Education Program Coordinator; Cornell University. August to December 2009

Assisted in organizing and conducting tours for local school and community groups for ~1000 individuals, from preschool age to adults at the Cornell Orchards. Conducted tours of the orchard and retail facility, demonstrated cider making, and provided learning activities for individuals.

Apply Buddy Program Coordinator; Cornell University. 2004, 2006-2009

Coordinated and participated with Cayuga Heights Elementary School (Ithaca, NY) and select children with reading challenges. Students read a book called "The Apple Tree" and would write hand written letters with questions and comments about the book and send to the graduate students, who would respond to their inquiries. At the conclusion of the book, the graduate students would visit the school and have apples and cider with students while doing apple activities.

History and Production of Apples; Cornell University. Fall 2008

Participated and conducted 10 weekly apple lessons and activities at Enfield Elementary School (Enfield, NY). The 10-week unit consisted of different units such as apple origins, processing, orchard maintenance, and pests and diseases.

EXTENSION PRESENTATIONS

- “Landscaping with Bulbs.” K-State Turfgrass Conference; Topeka, KS. December 4, 2018. (~60 attendees)
- “Landscaping with Bulbs.” Master Gardener Training Design and Grow Workshop. Sedgewick County; Wichita, KS. Feb. 10, 2018. (~50 attendees)
- “Bulb Trials Research at K-State.” Master Gardener Training Design and Grow Workshop. Sedgewick County; Wichita, KS. Feb. 10, 2018. (~50 attendees)
- “Bulbs in the Landscape and Containers Workshop.” Blueville Nursery. Manhattan, KS. Sept. 21, 2017. (20 attendees)
- “Bulbs in the Landscape.” Blueville Nursery. Manhattan, KS. Sept. 24, 2016. (15 attendees)
- “Bulbs for the landscape.” Advanced Master Gardener Training. Manhattan, KS. Oct. 2014. (30 attendees)
- “What lies beneath: Bulbs!” Retail Works Presentation. Manhattan KS. Jan. 2014. (50 attendees)
- “Bulbs in the Landscape.” Advanced Master Gardener Training. Manhattan, KS. Oct. 2013. (35 attendees)
- “Water Wise Containers.” Garden Talks and Walks; Friends of the KSU Gardens. Apr. 2013. (20 attendees)
- “Bulb production in the Netherlands.” Riley County Master Gardeners Annual Banquet. Manhattan, KS. Nov. 2011. (30 attendees)
- “Plant fall bulbs now...for spring color.” Riley County Master Gardeners. Manhattan, KS. Aug. 2011. (20 attendees)
- “Underused bulbs for your garden”. Broome County (NY) Master Gardeners. Binghamton, NY. Feb. 2010. (15 attendees)
- “Greenhouse production of bulbs for cut flowers and containers”. Cornell Cooperative Extension. Broome County. Binghamton, NY. Sept. 2009. (15 attendees)
- “Challenges in greenhouse production of *Oxalis regnellii*. Cornell Floriculture Field Day. Ithaca, NY July 2009. (75 attendees)
- “Bulbs”. Broome County (NY) Master Gardeners. Binghamton, NY Apr. 2009. (35 attendees)
- “Gardening with Annuals”. Master Gardener Training Session for Tioga, Tompkins, and Broome Counties. Binghamton, NY. Oct. 2008. (55 attendees)

INVITED PRESENTATIONS

International

- “Cut Flower Bulbs”. Proflora Conference; Bogota, Columbia. Oct. 2015. (~30 attendees).
- “Horticulture at Kansas State University.” Adkiniz University; Antalya, Turkey. Apr. 2012. (75 attendees)

National, Regional, Local

- “National Lily Trial Research”. North American Lily Society Annual Symposium; Des Moines, IA. June 2018. (~30 attendees).
- “K-State Bulb Research Trials.” Sedgewick County Extension Master Gardener Design and Grow Workshop. Feb. 10, 2018 (~40 attendees)
- “Landscaping with Bulbs.” Sedgewick County Extension Master Gardener Design and Grow Workshop. Feb. 10, 2018 (~40 attendees)
- “A Stinky Attraction; Story of the Flowering Corpse Plant at K-State.” Gamma Sigma Delta Fall Reception. Oct. 2017 (~45 attendees)
- “Bulb Envy: If You Haven’t Got It...You Will.” Western Nursery and Landscape Association Trade Show. Jan. 2016 (~50 attendees)

“Containers for Greenhouse Production”. High School Agriculture In-Service, sponsored by Hummert International; Dec. 2015. (~30 attendees).

“Bulbs on Display; Things One Can Do to Increase Retail Success for Bulbs” Challenges in Floriculture Conference; Inaugural Annual Shackelford Lecture Series; Oklahoma State University. June 11, 2015 (~100 attendees)

“Why Bulbs are the 51st Shade of Grey.” Challenges in Floriculture Conference; Inaugural Annual Shackelford Lecture Series; Oklahoma State University. June 11, 2015 (~100 attendees)

“Summer bulbs in the landscape.” Blueville Nurseries Spring Open House. Manhattan, KS. Mar. 2012. (15 attendees)

“Summer bulbs in the landscape.” Manhattan Garden Show. Manhattan, KS. Feb. 2012. (40 attendees)

“Other bulbs for the landscape.” Flint Hill’s Daylily Society. Manhattan, KS. Feb. 2012. (40 attendees)

“Underused bulbs for your garden—other than Iris”. Southern Tier Iris Society. Binghamton, NY. Mar. 2010. (15 attendees)

“The traveling tulip...from Asia to your tabletop”. Light in Winter—A Festival of Science and the Arts. Ithaca, NY. Jan. 2010. (40 attendees)

“Tulips—The Night Watch of the Garden”. Celebration of Rembrandt’s 400th birthday. Cornell University Johnson Museum. May 2006. (100 attendees)

“A Floriculture Experience in the Netherlands”. Department of Horticulture, Cornell University. Apr. 2006. (40 attendees)

“Bulbs of the Netherlands”. Longview Assisted Living Center. Ithaca, NY. Feb. 2006. (25 attendees)

“Tip-toeing through the tulips”. Cornell Master Gardeners Program. Feb. 2006. (75 attendees)

PROFESSIONAL MEETINGS ATTENDED

- 2018 Western Nursery and Landscape Association Conference. Jan. 18-19. Kansas City, MO.
North American Colleges and Teachers National Conference. June 29-July 1. Ames, IA. [1 oral; 1 poster presentation]
Perennial Plant Association. July 24-28. Raleigh, NC.
Distance Teaching and Learning Conference; Madison, WI. Aug. 7-9, 2018.
International Conference of Educational Innovation in Agrarian Topics; Lima, Peru. Oct. 17-19, 2018. [1 oral presentation]
- 2017 Western Nursery and Landscape Association Conference. Jan. 19-20. Kansas City, MO.
National Floriculture Forum (NFF). Mar. 17-19. Philadelphia, PA.
North American Colleges and Teachers National Conference. June 29-July 1. West Lafayette, IN. [1 oral; 1 poster presentation; award recognition]
Perennial Plant Association. July 24-28. Denver, CO. [award recognition]
- 2016 Western Nursery and Landscape Association Conference. Jan. 21-22. Kansas City, MO. [1 oral presentation]
North American Colleges and Teachers National Conference. June 20-24. Honolulu, HI. [1 poster presentation]
XII International Flower Bulb and Herbaceous Perennials Symposium. June 27-July 2. Kunming, China. [1 oral presentation; 1 poster presentation]
Perennial Plant Association. Aug. 2-4. Minneapolis, MN.
American Society for Horticultural Science (ASHS) Annual Conference, Aug. 8-11. Atlanta, GA. [2 poster presentations; 1 co-author on one poster presentation]
- 2015 Western Nursery and Landscape Association Conference. Jan. 4-5. Kansas City, MO.
National Floriculture Forum (NFF). Mar. 6-7. Minneapolis, MN. [1 oral presentation]
North American Colleges and Teachers National Conference. June 16-20. Athens, GA. [1 poster presentation; 2 co-author on two poster presentations]
American Society for Horticultural Science (ASHS) Annual Conference, Aug. 3-7. New Orleans, LA. [1 poster presentation; 1 co-author on one poster presentation]
Proflora Floriculture Cutflower Tradeshow and Tradeshow Meeting; Asocoflores; Oct. 29-31. Bogota, Columbia. [1 presentation]

Chad T. Miller
Curriculum Vitae

- 2014 Western Nursery and Landscape Association Conference. Jan. 5-6. Overland Park, KS.
North American Colleges and Teachers National Conference. June 25-28. Bozeman, MT. [1 invited oral presentation; 2 poster presentations; 1 co-author on one poster presentation]
American Society for Horticultural Science (ASHS) Annual Conference, July 28-31. Orlando, FL. [1 oral presentation; 1 co-author on one oral presentation; 1 co-author on one poster presentation]
- 2013 National Floriculture Forum (NFF). Mar. 22-23. Portsmouth, NH.
North American Colleges and Teachers National Conference. June 26-29. Blacksburg, VA [2 poster presentations]
OFA – An Association of Floriculture Professionals—Short Course and Trade Show. July 13-16. Columbus, OH
- 2012 National Green Center Show. Jan. 8. Kansas City, MO.
American Nursery and Landscape Association Clinic. Jan. 25-28. Louisville, KY.
XI International Flower Bulb and Herbaceous Perennials Symposium. Mar. 28-April 1. Antalya, Turkey. [1 oral Presentation; 1 invited lecture]
North American Colleges and Teachers National Conference. June 26-29. River Falls, WI.
OFA – An Association of Floriculture Professionals—Short Course and Trade Show. July 14-17. Columbus, OH
- 2011 National Green Center Show. Jan. 9-10. St. Louis, MO.
National Floriculture Forum (NFF). Mar. 9-11. Dallas, TX.
PLANET Student Career Days. Mar. 16-20. Juliet, IL.
Nurseryworks Conference. June 15-16, 2011. Manhattan, KS.
OFA – An Association of Floriculture Professionals—Short Course and Trade Show. July 10-12. Columbus, OH.
Kansas Nursery and Landscape Association Meeting. July 20-21. Hayesville, KS.
Kansas Greenhouse Growers' Association Educational Conference. Oct. 27. Manhattan, KS. [1 invited presentation].
- 2010 OFA – An Association of Floriculture Professionals—Short Course and Trade Show. July 10-12. Columbus, OH.
North American Flower Bulb Wholesalers Association. Mar. 19-20. Ithaca, NY.
Seeley Conference. June 26-29. Ithaca, NY.
International Plant Propagators Society Meeting Eastern Region. Sept. 29-Oct.2. Warwick, RI. [2 poster presentations]
Northeast Greenhouse Conference and Exposition. Nov. 3-4. Worcester, Massachusetts.
- 2009 VII International Ethylene Symposium. June 21-25. Ithaca, NY.
Seeley Conference. June 28-July 1. Ithaca, NY.
OFA – An Association of Floriculture Professionals—Short Course and Trade Show. July 11-14. Columbus, OH.
OFA – An Association of Floriculture Professionals. Perennial Production Conference. Sept. 20-22. Buffalo, NY.
- 2008 North American Flower Bulb Wholesalers Association. Mar. Ithaca, NY
X International Flower Bulb and Herbaceous Perennials Symposium. Apr. 20-24. Lisse, Netherlands. [1 poster presentation]
American Society for Horticultural Science (ASHS) Annual Conference, July 21-24. Orlando, FL. [1 poster presentation]
Seeley Conference. June 21-24. Ithaca, NY.
- 2007 National Floriculture Forum. Jan. 22-27. Amsterdam, Netherlands and Essen, Germany.
American Society for Horticultural Science (ASHS) Annual Conference. July 16-19. Scottsdale, AZ.
[1 oral and 1 poster presentation]
OFA – An Association of Floriculture Professionals—Short Course and Trade Show. July 14-17. Columbus, OH.
Seeley Conference. June 23-26. Ithaca, NY.
- 2006 North American Flower Bulb Wholesalers Association. Mar. Ithaca, NY
OFA – An Association of Floriculture Professionals—Short Course and Trade Show. July 8-11. Columbus, OH.
Seeley Conference. June 24-27. Ithaca, NY.
- 2005 International Plant Propagators Society Eastern Region Meeting. Oct. 3-5. Atlantic City, NJ. [1 poster presentation]
- 2004 New York State Vegetable Growers Association Meeting. Jan. 15. Rochester, NY.
IX International Flower Bulb Symposium. Apr. 2004. Niigata, Japan. [1 oral and 1 poster presentation]
OFA – An Association of Floriculture Professionals—Short Course and Trade Show. July 10-12. Columbus, OH.
Seeley Conference. June 26-29. Ithaca, NY.
North American Flower Bulb Wholesalers Association. March 2004. Ithaca, NY
HortiFair. October 2004. Amsterdam, Netherlands.
BeNeLux Society for Horticultural Science Symposium. Chains in Horticulture. Nov. 2004. Wageningen, Netherlands.
- 2003 Seeley Conference. June 21-24. Ithaca, NY.
OFA – An Association of Floriculture Professionals—Short Course and Trade Show. July 12-16. Columbus, OH.
American Society for Horticultural Science (ASHS) Annual Conference. Oct. 3-6. Providence, RI.
- 2002 North American Flower Bulb Wholesalers Association. Mar. 2002. Ithaca, NY [1 poster presentation]
